

TexStar Physical Therapy

Cancellation/No Show Policy

Our goal at TexStar Physical Therapy is to get you better and progress you back to your regular activities as quickly as possible. It is important that you follow the plan of care established by your doctor and therapist.

An integral part of the treatment occurs during your therapy sessions. It is our policy that our patients show when they make an appointment. We will try to accommodate your schedule as much as possible. However, we could use our help and consideration by you giving us a **24 hour** notice that you will not be able to make an appointment. By giving us this notice, it will help us with our scheduling and getting other patients into valuable time slots.
